The Victorian Aboriginal Affairs Framework 2013-2018 is the Government’s plan for closing the gap in Victoria by 2031, working in partnership with Aboriginal communities, service providers and the business sector. This document provides a statistical profile of Aboriginal people within the Greater Bendigo Local Government Area (LGA). It acknowledges Aboriginal community organisations and identifies achievements and challenges relating to the Aboriginal community. The profile is intended to support conversations between communities, service providers, governments and other key stakeholders. The information can help inform approaches and action at the local level to better meet the needs of Aboriginal people and deliver improved health, education, and employment outcomes.
